

ARTISAN CONTRACTORS GENERAL LIABILITY PROGRAM

Contractors Guard, our exclusive artisan contractor program, is pleased to offer the added value of our partnership with **EasyAuditHelper.com** to keep track of insurance documents & lessen the burden of an audit.

WHAT IS EASY AUDIT HELPER?

EasyAuditHelper.com is a tailor-made web application designed to make insurance compliance as easy as possible!

- Store PDF copies of insurance certificates, exemptions, and cancellation notices.
- Online accessibility from anywhere.
- Easily check the insurance status for a company.
- Collect certificates from subcontractors over email.
- Easy-to-use interface for insurance auditors – get through an audit in no time at all.
- Automatic 3-year retention of certificates.

SAY GOODBYE TO:

Keeping large binders of paper.

Nagging subcontractors about documents.

Stressing about having everything together for an audit.

AND SAY HELLO TO:

Easy storage of certificates, accessible anywhere with the internet.

Fully automated document collection, with email notification.

Check coverage for subcontractors at the click of a button.
