

ARTISAN CONTRACTORS PROHOME / WARRANTY SHIELD

Contractors Guard, our exclusive artisan contractor program, is pleased to offer the added value of a new partnership with **ProHome** and **Warranty Shield**. Owner maintenance education, quality inspections and dedicated repair call-back management can make or break any new construction project. After a builder's warranty expires, latent defects in materials or construction workmanship often lead to costly, reputation damaging legal battles. ProHome and Warranty Shield are now available to:

- Reduce warranty cost
- Document warranty protection
- Decrease legal risk
- Increase customer satisfaction
- Boost brand image

WHAT IS PROHOME?

ProHome provides builder's warranty management & administrative services for new construction residential & commercial projects.

PROHOME BENEFITS:

- Licensed residential & commercial inspections
- New owner maintenance orientations
- Warranty & call-back repair management
- Decrease legal risk
- Boost brand image

WHAT IS WARRANTY SHIELD?

Warranty Shield is a warranty & compliance software solution.

WARRANTY SHIELD BENEFITS:

- Rapid response customer support
- Annual compliance inspections
- Contractor and artisan quality assurance standards
- Risk management programs
